2026 Fall Parish Assembly
Pastor's Report

We find ourselves at a truly historic time in the life of our beloved Nativity of Christ Parish. Initiatives are being proposed to propel our community to continue to be a vibrant, faithful, and flourishing Orthodox Christian community for generations to come.

We have not undertaken a parish-wide fundraising initiative of this magnitude since the construction of our Fellowship Hall more than three decades ago. Think about that for a moment. The church and facilities we enjoy today are the result of the faith, sacrifice, and vision of those who came before us. They believed in the future of this parish, and they invested in something that would outlive them.

Today, we have that same opportunity.

Through the *Building on Our Faith Campaign*, we can contribute to something that will serve not only our children and grandchildren, but generations of Orthodox Christians whom we may never meet. We are trying to create spaces where people will encounter Jesus Christ and countless souls will discover the life-giving presence of the Holy Orthodox Church.

At the same time, today we are presenting our 2027 budget, which calls for an ambitious increase in stewardship. Our goal is to strengthen the financial foundation of our parish through the generosity of our faithful, enabling us to sustain our ministries, care for our facilities, and continue the work to which Christ has called us.

And so, naturally, some questions arise.

Can we really increase our stewardship to the levels outlined in this budget? Can we raise $4 million through the *Building on Our Faith* Campaign? Are these goals realistic? Are we asking too much of our community?

These are fair questions. They deserve thoughtful consideration, responsible planning, and honest discussion. However, I would suggest these are not the most important questions to ask. The most important question is much more personal.

What am I willing to do to help move our parish forward?

As your priest, I recognized that I must begin by asking myself. Am I willing to personally respond more generously to the blessings God has trusted to us by strengthening our commitment to Jesus Christ?

And I believe each of us must do the same.

Because if we approach these goals as individuals, they may seem overwhelming. But when we approach them as a community united in faith, the possibilities begin to look very different. No one is being asked to fund the entirety of the *Building on Our Faith* Campaign. No single family is being asked to carry the entire responsibility for our annual stewardship budget. Rather, we are being invited to participate together, each according to our abilities, our circumstances, and our love for Christ and His Church.

And that is why I believe this is such a historical moment in the life of Nativity of Christ. We have the opportunity not only to strengthen our physical campus and financial viability, but also to strengthen the spiritual foundation of our community.

Imagine what it will mean for our children and grandchildren to look back upon this moment, asking how our parish came to have these facilities and vibrant ministries. What a blessing it will be for us to tell them that the people who came before them believed in the future of Nativity of Christ. They prayed, they sacrificed and they worked together because they wanted the Orthodox Christian faith in Novato to outlive them.

Therefore, let us not ask ourselves, "Can we afford to do this?" but rather, "How is God calling me to participate in the future of His Church?" I believe that when we approach these questions with prayer, humility, generosity, and a shared sense of purpose, we will discover that we are capable of far more than we imagine.

May God bless our beloved Parish family, and may He guide our decisions with wisdom and courage to build on our faith, so that generations may encounter the light of Jesus Christ through the life and witness of this holy parish. Amen.

A Celebration of Stewardship, a Reflection on God's Gifts

On Sunday, October 18, a beautiful Stewardship Luncheon was graciously hosted by the Capetanos family in appreciation of our faithful stewards. Many thanks to Chrisoula and Bill Capetanos for leading the entire effort, to Dina Stathis, Welcome Chair, and to the many others who prepped, cooked, and set up the event.

After a delicious meal, Chrisoula Capetanos, our Stewardship Chair, spoke splendidly. She welcomed our new members to the parish, and reflected on the importance of personal giving as our community continues to be inspired by gratitude and faith in God.

Our Capital Campaign consultant, Jerry Minetos, followed with an analysis of the icons of the Twelve Great Feasts of the Church, encouraging us to consider how we might give in accordance to the many blessings God has bestowed upon us. He concluded with a promising message about the progress of our *Building on Our Faith* Capital Campaign, noting that we are still in the very first phase, the quiet phase, of fundraising.

Let us each prayerfully look toward the future of our parish and the many opportunities God has placed before us.

November: A Time for Gratitude

November invites us to pause, reflect on our many blessings, and give thanks for the people and gifts that enrich our lives. As we celebrate Thanksgiving, we are reminded of the importance of gratitude and the many ways God calls us to serve one another through faithful stewardship.

We extend our heartfelt gratitude to all our Stewards who so generously share their **time, talent, and treasure** in service to God and our church community. Your generosity, dedication, and willingness to serve are a testament to the power of faith in action. Through our collective efforts, we have accomplished so much for the glory of God.

As we look to the year ahead, we warmly invite others to join us in this meaningful journey of stewardship. Each of us has unique gifts, talents, and abilities that can be used to make a difference. There is a place for everyone and, together, we can accomplish far more than we could alone. In Romans 12:4–6, Scripture reminds us of the beauty of our shared purpose: *"For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others."* We are each uniquely gifted, yet united in Christ. **Thank you to all our Stewards for your continued faithfulness and generosity.**

How to donate to the Nativity of Christ from your IRA

Using a **Qualified Charitable Distribution** (QCD) is a great way for parishioners with an IRA who need to withdraw funds to meet a Required Minimum Distribution (RMD) to contribute to Nativity's Beyond 50 campaign or Stewardship fund. The money you contribute to Nativity using a QCD is not included in your adjusted gross income on your tax return, which is a better option than listing the donation as a simple charitable contribution.

A Lasting Gift for the Church – (Planned Giving)

A bequest or gift through your will is one of the simplest ways to make a lasting gift to the Church. Please consult your financial advisor for advice. A suggested wording: *I hereby bequeath the sum of $_____ as a charitable bequest to the Nativity of Christ Greek Orthodox Church of Novato (Tax ID23-7122395) to be used for charitable purposes of the Church.*

November Name Days

Connect • Engage • Grow

It is the practice of our Church to give the name of a Saint to a newborn child. By assuming the name of a Saint, we honor the Saint, and we also provide the new Christian with an example worthy of emulation. The Saint then becomes the patron of the child, and we pray that through the Saint's intercessions, God will guide and protect the child throughout the child's life. Each month, we will be acknowledging in our monthly bulletin those celebrating their name day.

If by chance we accidentally missed someone's name day, we ask that you please contact the Church Office so that we may correct our records. We extend our prayers to all those celebrating their name day this month and beseech our heavenly Father to grant them many years!
